REPORT OF THE SELECTMEN

The Selectmen of Surry are pleased to provide a chronicle of another "business as usual" year. 1993 was a year without any major incidents or catastrophes to the town in general. Accomplishments are listed as follows:

ROAD REPAIRS - Another portion of the Old Walpole Road was totally rebuilt. The new section measures 1,500 feet in length.

COMPUTER SYSTEM - While we experienced some minor difficulty in set up, the new computer system for the tax bills is a major improvement over the previous system.

STAIR GLIDE - Thanks to the Surry Town Players we have installed a stair glide at the Town Hall for those who are unable to access the upstairs.

DOWN THE ROAD - The townspeople must begin planning for the following:

1. Highway Truck Replacement - projected time, 1995 at an approximate cost of $50,000.00.

2. Police Cruiser Replacement - projected time, 1997.

3. Fire Truck Replacement of M-3 - in the future.

We also installed a new water filter system in the town hall.

Hugh Clark, Robert Andrews, James Sweeney

FIRE DEPARTMENT REPORT

This was an average year as far as responses. The majority of the calls were for medical emergencies and accidents.

Membership was active in the spring and fall Meadowood Fire Schools. The department was invited and participated in a house burning training exercise in Gilsum. Two trucks were used for drafting and supplying water from the river which was a challenge because of the height involved.

Our EMTs and first responders have taken advantage of various training programs throughout the year.

Several chicken Bar-b-ques were held including one that was part of the Meadowood's 40th celebration and the Surry Old Home Day celebration.

The Fire Department supports the youth groups of Surry including the Boy Scouts, Cub Scout programs as well as hosting the annual Halloween Party and supporting the School Christmas Party.

We are in dire need of some support ourselves. We are in need of new members, especially young people who can infuse some new ideas and energy into the department. We need physically capable members to continue the service we provide to the community.

Please, consider joining, check your smoke detector batteries, have a SAFE 1994.

REPORT OF THE SURRY POLICE DEPARTMENT - 01/31/94

Activity for the year of 1993 has been pretty much on an even keel with last year. Traffic accidents were up a little as were our arrests. Our assistance to outside agencies also climbed, probably due to the fact that our surrounding towns know we're out there now. And finally, our motor vehicle stops have also climbed.

The Surry Mountain Recreation Area activity has been fairly consistent, although once again, it seems that we still find the need to remind everyone that the park closes at 8:00 PM SHARP! Perhaps we can get the Rec people to put up some better signs.

Animal complaints seem to be a constant problem. The worst offenders being barking dog complaints and strays. Also now with the rabies "epidemic" out there, it seems that we get called if someone just sees a raccoon. This is going to be an ongoing problem. Our advice is simply that if you encounter a wild animal, stray dog or cat, leave it alone, don't go near it, don't corner it, don't feed it, don't give it a chance to bite or scratch you. If there is a genuine emergency with an animal, don't hesitate to call, we'll figure something out. But for the most part, we are not equipped or trained in the safe handling or animals of any kind, dogs and cats included.

We would like to report that the Cruiser has been working out great! It has been running well with only a few repairs being needed, not including preventive maintenance and a set of new snow tires. We have also gotten numerous compliments on its appearance. As we expected, by having the cruiser, we have saved the town hundreds of dollars in gas expenditures and mileage reimbursements.

The Surry Police Department continues its extensive training with our weapons and classes on motor vehicle and criminal law changes and updates. We are scheduled already for numerous classes well into '94.

Please remember to call the dispatch number (352-1100) if you require police services.

Thank you once again to the Surry Fire, Rescue and Highway departments for their continued assistance throughout the year.

The following is a summary of the Police Department activity for 1993:

Gerald Clark, Chief of Police
Lieutenant Joel Huntley
Patrolman Robert Blodgett

REPORT OF THE SURRY RECREATION DEPARTMENT
1993-94

The only event sponsored by the recreation department this year was Surry Old Home Day which was held on August 21. The Surry Historical Committee sponsored a hike up Surry Mountain from 8:00 - 12 AM. A book sale was held at the Reed Free Library. Many people enjoyed the senior luncheon and tea that was held at the town hall. Afternoon events included a photography contest, a plant contest, a name the baby contest, a Surry History Committee display, crafts, and a guiding eyes for the blind display.

The Surry Fire Department sponsored a delicious chicken barbeque after which they presented an educational fire safety demonstration. Cal Frink was named the citizen of the year by Fire Chief Donald Johnson. A talent show featuring local talent concluded the day's festivities.

REPORT OF SURRY HISTORY COMMITTEE

This past year has been a period of continued slow progress for your History Committee. In order to stimulate local interest, we were hosts to several hikes up Surry Mountain: to the "Monuments", Austin Road, Lily Pond, Lily Pond Brook. In all, about seventy people participated.

In January 1994, we hosted an Early History of Surry Program at the Town Hall. This included discussions on the Geology, Mineralogy (Gold and Silver Mines), Indian Lore, Roads, People, Houses, Origination of the Town, Maps, Early Tools, Pictures and most importantly, work on the new History that has already been completed and awaits editing.

We still need your help. The town's many social organizations of the last seventy years, Genealogies, Town Records, Members of the Military, are but a few of the subjects that need volunteers to research.

Come visit us. We meet the fourth Tuesday of every month at 7:00 PM in the Town Hall.
